Frankfurt Main

A black and white photograph of the Frankfurt Main railway station. The building is a long, multi-story structure with a facade of windows and a dark, overhanging upper section. The name "Frankfurt Main" is written in large, white, sans-serif letters across the top of the building. In the foreground, a large, dark, angular structure, possibly a train platform roof or a bridge, is partially visible, creating a strong silhouette against the sky. The sky is filled with clouds, and the overall lighting is dramatic, with high contrast between the dark structures and the lighter sky.
